What you will find at the Watercolour Society of Victoria.

A thriving Community: As a member you are part of a dynamic community of artists interested in the watercolour medium:

- Monthly meetings are where we exchange ideas and skills on when we meet once a month on the last Monday of the month at the centrally located Victorian Artists Society building on Albert street East Melbourne, opposite St Pat's Cathedral.
- At other times you will be invited to participate in paint outs, demonstrations and other events that this thriving community organizes.
- Communication: From us to you in the form of a printed quarterly magazine full of articles and news.
- Each month several notices will be sent via email to ensure up to date information is relayed.
- The website is available for you to access as needed and contact to us is always easily transferred from this site www.watercoloursocietyofvictoria.com
- Wednesday Wanderers in a fortnightly zoom group that enjoys painting together for one hour on a subject shared online. Comradery and shared endeavours result in a real creative buzz. There is no limit to where you live for this event.

A professional Association:

- Supportive of our professional members where knowledge is shared and support provided in terms of contacts and resources if needed.
- We promote skill development for watercolourists and keep members up to date with new products.
- Referral and links to other organizations and watercolourists.

We acknowledge the artistic achievements of our members:

- Monthly galleries of paintings are shown prior to meetings.
- Awards and achievements are listed in the enews and published in Watermark.

When all of this is combined you will find a strong, productive, vital network that adapts to ensure colleagues are kept informed and in touch throughout Victoria. Recent digital additions have meant that members who live interstate can also be actively involved with our group even if they cannot physically attend meetings.

We welcome you as a valued member to the Watercolour Society of Victoria.

If you wish to have a more active involvement do not hesitate to talk to any of the committee as to how you can participate.
